1 Yesterday, the Court ordered, upon having been advised by the government that there is no
2 federal hold or other impediment, that the San Francisco Police Department provide to undersigned
3 counsel for Defendant Adrian Landers reasonable access to inspect a vehicle in its possession, to wit,
4 a 1994 Acura two-door automobile, VIN # JH4KA8278RC002197, California license plate
5 6RYP794, registered to Mr. Landers and Ms. Latrice Devore.

6 Further consultation with SFPD has revealed the need for additional express direction from the
7 Court on this matter. Specifically, the parties stipulate and jointly request, with respect to the above
8 referenced vehicle, that counsel for Mr. Landers and his investigator be permitted to photograph the
9 vehicle and to start its engine, with the assistance of SFPD as appropriate.

10 IT IS SO STIPULATED.
